

SECRETS AT THE ROUND TABLE

An Immersive Two-Night Event at Glen yr Afon House Hotel

ONE TABLE. TWENTY GUESTS. TOO MANY SECRETS.

Step into a world of suspicion, secrets and deception in this immersive, interactive deduction experience, hosted in the atmospheric Library at Glen yr Afon House Hotel. With its spired ceiling, wooden floors and imposing round table, the Library is the perfect setting for an event where nothing is quite as it seems.

Brought to you by the award-winning team at **Death on Demand**, this is a battle of wits where hidden identities, secret alliances and difficult decisions will keep you guessing. Some players will be faithful. Others will be **traitors**, working secretly against the group. Can you spot the liars, expose the traitors and survive the twists and turns before the final reveal?

Every conversation matters. Every accusation has consequences. And the person you trust most could be the one deceiving you.
